‘Straight’ from the President

Greetings Shooters!

Another shooting season is in full swing! I hope you are getting out and enjoying the shooting. Our weather has finally changed and I hope to see each and every one of you at one of our registered shoots.

The Board of Directors met in April and the plans for the State Shoot in August are well under way. I hope to see all of you there. We have some great awards and trophies planned for our winners.

The Board of Directors also voted and passed a new “Club of the Year” award. The guidelines are included in this issue of the newsletter. Congratulations to our first club recipient Kent County Conservation League.

If you are interested in running for the Board in August, please contact me by phone or email (see page 2) and submit your name for the ballot. Don’t wait too long as we have to get the ballots out early.

The MSA website www.michiganskeet.com has all kinds of information about our organization. Please go to it and use the wealth

George Gilliam

of information that you can find there. Feel free to contact me or any of the other Board of directors if you have any questions or

suggestions. See you at one of our shoots!

Information You May Want To Know!!

PLEASE NOTE:

Please send all articles and pictures to the Editor, Jane Carpenter at itzshooter@comcast.net or mail to 16731 N. Gardenia, Fraser, MI 48026.

Please Note: We have been informed by Ed Skinner, President of Flat River Conservation Club, that they will not be a member of the MSA in 2012 and will not hold any registered skeet shoots. Please correct your calendars accordingly.

1) The MSA Board approved a reduction in the minimum target requirements last year to align with the revised NSSA standards. The NSSA has reinstated the original minimum target amount for the 2012 shooting year. If you want to make a national team, you will have to shoot the standards of 1,200; 1,000; 1,000; 1,000; and 500. To be eligible for the Michigan All State Teams until further notice the amounts required are: 12Gauge, 1,000 targets; 20 Gauge, 28 Gauge and .410 are 800 targets; Doubles, 500. The MSA may change these in the future.

The Next Board of Directors meeting will be held in November at Saginaw Gun Club.

As stated in the previous editions of this newsletter, we will not be mailing this newsletter any longer. So, if your friends don't have a computer or email, remember to print them off a copy so they can keep up to date on our association news. Please mail new email addresses to Trish Magyar at miskeet@comcast.net with a subject line of "eMSA news."

It is very important that you support our advertisers who do a very important job of off-setting the cost of this newsletter. Next time you do business with one of them, say, "I saw your ad in the MSA Newsletter, thanks for your support of the MSA."

PLEASE NOTE: When Filing your shoot reports, PLEASE remember to fill out a FIRST 100'S REPORT for the NSSA and KATHY WARNER (MSA). Otherwise our shooters do not get listed in the national publication. ALSO, PLEASE send first 100'S names, date and event to JANE CARPENTER to assure the shooter gets a MSA CERTIFICATE.

Michigan Skeet Association Club of the Year – 2011

Rick Trawinski, from Detroit Sportsmen's Congress, proposed to the Board that MSA recognize a "Club of the Year." The Board of Directors felt the most objective measure would be the greatest increase in registered targets from one year to the next, since

we want to promote more registered shooting. The Board approved the following guidelines (below) for awarding the MSA Club of the Year.

The 2011 MSA Club of the year is Kent County Conservation League with a 189.91% increase

in targets. The second place finisher was Saginaw Gun Club with a 52.16% increase; and in third place, Grayling Sportsmen's Club with a 51.94% increase. The award for the "Club of the Year" will be presented at the 2012 State Shoot. Congratulations to everyone!

MICHIGAN SKEET ASSOCIATION - CLUB OF THE YEAR

This achievement award is given to the MSA member club that has the greatest increase of registered targets thrown from the previous year to the next year.

Award will be based on percentage of increase, not the raw number of targets thrown.

Club of the year time period will be defined same as NSSA year:

- Start on November 1 of a shoot year.
- End on October 31 the following year.

Unique events will not be "counted" towards the total, such as but not limited to:

- Zone 3 event
- SCTP events

Member Club must have thrown registered targets two consecutive years in a row.

Presentation of the Award will be given to the member club at the Michigan State Skeet Championships.

Award will be based on results of the previous completed year, for example:

- The 2011 award will be based on 2011 results but presented at the 2012 Michigan State Skeet Championships.

2012 Class All American Teams

Congratulations to our 17 Winners in Michigan!

Class All-American Teams have replaced Class All-Zone Teams and provide more opportunity for individual shooter recognition. The points race is updated regularly on this page so shooters know their standings in the race throughout the year.

Calculation is objective, based on numbers only. The first requirement for eligibility is that NSSA minimum registered target standards must be shot: 800 12-gauge; 500 20-gauge, 28-gauge, and .410 bore; and 300 doubles targets. Targets must be shot at registered shoots or in registered leagues to count for this recognition.

Points are awarded based on the number of competitors in

each class in a shoot, eliminating geographical differences, and are awarded at registered shoots as follows:

- 100 % of the class points listed below are awarded if there are 50 or more shooters in the class in attendance.
- 75 % of the class points are awarded if there are between 30 and 49 shooters in the class in attendance.
- 50 % of the class points are awarded if there are between 10 and 29 shooters in the class in attendance.
- 25 % of the class points are awarded if there are fewer than 10 shooters in the class in attendance.

Maximum points awarded:

- 100 points for class 1st in a 100-target event
- 75 points for class 2nd in a 100-target event
- 50 points for class 3rd in a 100 target event

Points are awarded proportionately based on the number of targets shot. For example, a 50-target event would provide 50 points for class 1st; 37 points for class 2nd; and 25 points for class 3rd.

Event Champion, runner-up and third will get 100 points in their class.

All shooters in classes AAA thru E are eligible if they are clas-

sified in the 4 guns (12, 20, 28, and .410) and have shot the Class All-American minimum targets, including the 300 Doubles targets. Here is how the program works:

- Selection will be based on HOA Class at the beginning of the shooting year. The calculation of the HOA for new shooters will be based on the first 5 events of the current year that are used to establish their classification in each of the 4 guns. Targets shot at these 5 events will also count towards the Class All American minimum target requirements.
- If you are selected for an Open All-American Team, you are not eligible for consideration. Selection for an All-American Concurrent Team is not a factor.

You could be selected for both teams.

- League class places will count and be included at the end of the year.
- Monthly targets will not be considered.
- There is no additional administrative burden for our clubs. The computer will automatically assign points based on reported class wins and places 2nd and 3rd.
- There is no need to travel away from your local area. Shoot at your surrounding clubs and have an equal chance for consideration.
- Open All-American will be selected first, then Class All-

Americans to insure there is no duplication.

The following teams will be selected in classes AAA-E for a total of 245 shooters each year.

1st team – 10 shooters – Will receive Class All-American Team Pin and Patch, Recognition Certificate, and Letter of Congratulations.

2nd team – 10 shooters – Will receive Class All-American Team pin and Recognition Certificate.

Honorable Mention Team – 15 shooters – Will receive pin and certificate.

All will be listed in the annual Records Annual and in Skeet Shooting Review.

Congratulations to our great Michigan shooters

Michigan Skeet Association State Teams

Selection to all teams is based upon high average; All-State Team and Concurrent selection is based upon 4-gun HOA average. An individual can only be selected for one team. The order of precedence for selection, and number selected, are:

1. All-State Team - 10
2. 12 Gauge Team - 5
3. 20 Gauge Team – 5
4. 28 Gauge Team – 5
5. .410 Team - 5
6. Doubles Team - 5
7. Concurrent – 1 in each concurrent category (Senior Veteran; Veteran; Senior; Sub-Senior; Sub-Sub-Senior; Triple Sub; Lady; Junior; Sub-Junior; Rookie).

In order to be eligible for selection to an MSA State Team, the following criteria apply:

All-State Team: Individuals must have shot at least 1,000 12 gauge targets; 800 20 gauge targets; 800 28 gauge targets; 800 .410 targets; and 500 Doubles targets during the previous target year.

All-Gauge Teams: Individuals must have shot the minimum targets in at least 2 gauges or one gauge and doubles as follows: 1,000 12 gauge targets to be eligible for the 12 Gauge team; or 800 20 gauge targets to be eligible for the 20 Gauge team; or 800 28 gauge targets to be eligible for the 28 Gauge team; or 800 .410 targets to be eligible for the .410 team; or 500 Doubles targets to be eligible for the Doubles team during the previous target year.

Concurrent: With the exception of Senior Veteran, Sub-Junior and Rookie, individuals must have shot at least 1,000 12 gauge targets; 800 20 gauge

targets; 800 28 gauge targets; 800 .410 targets; and 500 Doubles targets during the previous target year. For Senior Veteran and Sub-Junior, 700 12 gauge targets, 500 20 gauge targets, 400 28 gauge targets, 400 .410 targets and 300 doubles targets are the minimums required. For Rookie 700 12 gauge targets, 500 20 gauge targets, 500 28 gauge targets, 500 .410 targets and 300 doubles targets are the minimums required for Rookie of the Year.

Additional requirement for all teams: If only the minimum number of required targets is shot, then all but 200 targets in each gauge/event must be “regular targets” (i.e., not “targets only”). For each 50 or 100 targets above the required “regular targets,” “targets only” are allowed. *However, no “targets only” shot after the Michigan State Skeet Championships will be used for determining an individual’s eligibility **unless** they are needed to make the minimum target requirements.*

Michigan's Ten Best!

"All State Team"

After a very successful new format, starting in 1997, that calls for no individual to appear on more than one team, the Michigan Board of Directors voted on continuation of this system to elect Michigan Teams. The 10 All-Staters will be on that team only. Then in order, according to gun averages, the five highest shooters in each of the four gauges and doubles, followed by the Concurrent H.O.A. winners. To qualify for the "All-State Team," members had to shoot the National "Standards" of 1,200-12 gauge, and 1,000 each of 20, 28, .410 and 500 doubles. They will be listed on the plaque in our Hall of Fame at the Detroit Gun Club, will receive belt buckles and certificates and will receive the right to wear our *Josten made "All-State" ring. The team in order of averages is listed below: (Please note: Due to the economy the "standards" were reduced both Nationally and in Michigan. The National Skeet Association has returned to the original "standards" in 2012. Until further notice the MSA will keep these reduced standards: 12 Gauge: 1,000; 20, 28 & .410: 800; and Doubles: 500).

Tom Pavlack makes it “Eleven In A Row” Lou Raden High Volume Target Award

Congratulations to Michigan’s 10,000 + in registered targets

in 2011. The year 2011 found us with only (1) shooter who made the “10,000 registered targets” club. He will receive the beautiful 10,000 target pin award from the N.S.S.A. Headquarters with his name engraved on it. This year marks the eleventh year for the Lou Raden Memorial High Target Award and it goes once again to Tom Pavlack.

As it says on the trophy in Lou’s own words, *“These shooters pay little heed to weather*

Tom Pavlack

conditions and here in Michigan we taste every possible weather condition known – when it’s time to shoot – they do it!!”

For all of his hard work, Tom will be the recipient of his eleventh in a row, “Lou Raden Memorial High Volume Target Award.” Tom will receive this honor at the State Shoot Saturday night ceremonies in August.

Congratulations to Tom, the only Michigan shooter who shot over 10,000 registered targets. His total was 14,950!

2012 NSSA Honor Squads

To be considered, a shooter had to shoot concurrent standards and the highest average increase over the previous year. Only three categories are considered: Five Men’s, Five Ladies and Five Junior/Sub-Juniors. Congratulations to our three shooters who made these teams!

Ladies Team

Loraine Malloy, Macomb
Christina Baning, Flint

Sub/Junior – Junior Team

Garrett Curlett, Oakland Twp.
